Day 1 | Fly to Fairbanks

Today, we travel to Fairbanks, Alaska for the start of an incredible vacation. Upon arrival, we will board a deluxe motorcoach and transfer to the Bear Lodge, our home for the next two nights. **Meals: D**

Day 2 | Fairbanks Tour

Our day will begin with a trip down Discovery Lane to the riverboat landing for the famed MV Discovery III. From here, we will cruise the waters of the Chena River while enjoying stories of local legends like Felix Pedro and E.T. Barnett. The tour will also highlight a float plane demonstration and a visit to a recreated Athabaskan Village. This afternoon, we will enjoy lunch and a very exclusive behind-the-scenes tour of the Trail Breaker Kennels, home of the late dog mushing champion, Susan Butcher. After meeting the dogs of the Iditarod, we'll visit the Morris Thompson Cultural Center. The evening will come to an end with an authentic Alaskan Salmon Bake. **Meals: B, L, D**

Riverboat Discovery III

Day 3 | Denali National Park

Early this morning, we bid farewell to our hosts in Fairbanks and make our way to the Fairbanks Rail Depot. We will board the domed rail cars for breakfast and a scenic rail journey south to Denali National Park. Along the way, your rail host will provide history of the rail, insight to the mining projects, and information on the different ecosystems that lead you to Denali. Enjoy a lesson on Alaska's Sub-Arctic at the Denali Education Center, as well as some free time to explore the Denali Visitor's Center. **Meals: B, L**

Day 4 | Denali National Park / Talkeetna

Early this morning, we'll travel deep into Denali National Park aboard the Tundra Wilderness for a 52-mile narrated tour. Keep your eyes open for bears, moose, caribou, Dall sheep, and the occasional sighting of a wolf. We will continue to enjoy the view of North America's highest point while in the charming community of Talkeetna this evening. **Meals: B, L, D**

Day 5 | Anchorage / Seward

After a leisurely morning at the hotel, we will embark on a journey through the Matanuska & Susitna Valleys. We will arrive in Anchorage, Alaska's largest city, for lunch and some time to stroll the many shops and museums. This afternoon, we will travel south along the beautiful Cook Inlet & Turnigan Arm before setting course onto the Kenai Peninsula. After a visit to the Alaska Wildlife Conservation Center, we'll continue to Seward, Alaska to check into our hotel and enjoy our final night on land. **Meals: B, L, D**

Day 6 | Kenai Fjords Wildlife Cruise

After breakfast this morning, we'll board a glacier and wildlife cruise into Kenai Fjords National Park. Explore the face of a glacier and enjoy opportunities to view seals, sea lions, whales, eagles, puffins, and more! Late this afternoon, our small sightseeing vessel will return to the dock and we'll transfer to the Celebrity Millennium to begin our journey through Alaska's Inside Passage. **Meals: B, L, D**

Day 7 | Hubbard Glacier

Today's voyage takes us into Yakutat Bay and alongside the Tongass National Forest, followed by Disenchantment Bay and the impressive ice wall of Hubbard Glacier. The largest tidewater glacier in Alaska has a face that extends over 6.5 miles in length. Stand in awe as glacier ice may come crashing down into the ice-choked waters below at any moment. **Meals: B, L, D**

Day 8 | Juneau

Maneuver into the Gastineau Channel and dock in Alaska's capital city, Juneau. Take advantage of the included Juneau walking tour highlighting the history of the Juneau Douglas Mines, museums, and a visit to the state capitol. Other optional excursions include a tour of the Mendenhall Glacier, helicopter tour, or a trip to the top of Mt. Roberts on the aerial tram. **Meals: B, L, D**

Day 9 | Skagway

Visit the "Gateway to the Klondike Gold Rush"! This historic community still feels like an 1898 boom town. The voices coming from the saloons still echo in the air, while the legend of outlaw "Soapy Smith" lives on in stories. There's an option to take the White Pass and Yukon Route Railway on an incredible climb 2,500 feet to the top of the renowned "Dead Horse Trail." **Meals: B, L, D**

Day 10 | Icy Strait Point

Down the road from Alaska's largest Tlingit village exists a uniquely Alaskan place, Icy Strait Point. Just 22 miles southeast of Glacier Bay National Park, it's the only wilderness port in Alaska. This has been the homeland of the Hoonah Tlingit natives for thousands of years. Its beauty, grandeur, history, and people offer a glimpse into the real Alaska. **Meals: B, L, D**

Day 11 | Ketchikan

Known as the "Salmon Capital of the World" and "Alaska's First City", Ketchikan is a vibrant seaside community. Today's walking tour features stops at the Totems of Whale Park, historic Creek Street, and the Salmon Ladder. Optional flight-seeing tours of Misty Fjords are popular, as are the totem tours of Saxman Native Village. **Meals: B, L, D**

Day 12 | Inside Passage

Our final day on board will include views of the stunning British Columbia and Alaska coast. Be on the lookout for humpback whales, orca, and dolphin. **Meals: B, L, D**

Day 13 | Travel Home

As dawn breaks, we'll sail under the Lions Gate Bridge and dock at Canada Place Pier. This marks a time for goodbyes and well-wishes to all of those new friendships from this Alaska adventure. After the disembarkation process is complete, pass through Canadian customs before being transferred to the airport for our flight home. **Meals: B**

The passenger contract used by the air carriers is the only contract between airlines and Tour Guest.

Included Hotels, Restaurants, & Attractions: The tours are arranged and operated by Landmark Tours, Inc. Landmark Tours, Inc. acts only as an agent for third parties providing services for a tour. Luggage Requirements & Allowance: Due to space limitations on the motorcoach, we allow one suitcase for each Tour Guest. Prior to booking air individually outside of a Landmark Tours, Inc. package, it is required that each Tour Guest discuss flight plans with Landmark Tours, Inc. before booking. If a Tour Guest's air itinerary does not align with the group's itinerary, it is the Tour Guest's responsibility to make arrangements to join the group.

Guests with Special Needs: You must advise Landmark Tours at the time your booking is made of any disability requiring special attention. Neither Landmark Tours personnel, nor its suppliers, may lift or physically assist Tour Guests. If a Tour Guest requires assistance, we require that he/she be accompanied by a companion who is capable of and totally responsible for providing the assistance. Be aware that the Americans with Disabilities Act is applicable only within the United States and that accommodations for disabled travelers outside of the United States may be more limited. Additionally, some hotels may not have accessible rooms with two beds.

Tour Pace: Walking is required in addition to consistently exiting and boarding the motorcoach. Furthermore, some attractions will require additional walking as there can be limited bus access. If concerned, it is the Tour Guest's responsibility to consult a physician to see if the tour is suitable. Please read the below general guidelines:

1) Landmark Tours packages are suited for travelers who are able to comfortably walk 1/2 mile in approximately 15 minutes.

2) If you are unable to keep pace with the other travelers in your group the Tour Manager may request that you stay near the motorcoach and forgo sightseeing that entails additional walking. If you are separated from the group during this time, it is the individual responsibility of the traveler to arrive at the pre-designated departure point at the agreed time. If third party transportation is required (i.e. a taxi), it will be at the traveler's personal expense.

3) There will be occasions when staying on the motorcoach during stops is not allowed. At this time, all passengers must exit the motorcoach to allow the driver to lock the doors and take a break.

4) The group's overall enjoyment is the primary responsibility of the Tour Manager. If you are consistently unable to keep up with the pace of your fellow travelers it can impede your safety or the other travelers' enjoyment of the tour. The Tour Manager may request that you leave the tour. The resulting costs will be the personal responsibility of the traveler.

Activity Level: For your convenience, we have assigned *Activity Levels* to each tour. This is noted on each individual tour page next to "Tour Cost Per Person." Below is a description of each level:

1 - Easy: A leisurely pace with minimal activity to include climbing stairs, boarding the motorcoach, and walking within hotels and ships.

2 - Relaxed: Guests should be able to walk intermittently with occasional inclines and stair climbs, including on and off the motorcoach throughout the day.

3 - Active: This program includes a blend of longer and shorter days with walking tours. Tour Guests should expect 1 - 2 hours of walking each day, including uneven surfaces and stair climbs, with opportunities to rest between attractions.

4 - Moderately Challenging: This program includes longer touring days with more walking tours and standing. Tour Guests should expect 2 - 3 hours of walking each day. Some sites may be inaccessible by bus and include rocky or uneven ground and stair climbs.

5 - Challenging: This is a more physical touring experience that involves longer walking tour on uneven surfaces, may involve wet or windy conditions at sites, and long periods of standing. Tour Guests should expect 4 - 5 hours of walking each day.
